

Welcome to

Alfonso's

PIZZA 

Established 1991

We take pride in preparing top quality meals for you. The food is rich in authentic flavors and ingredients. Our bread and pizza dough is made from scratch and baked fresh in our own oven. The sauce is spiced right here in our kitchen. Most of our meat is purchased locally and pre-cooked in order to reduce the fat content for you. We use only fresh vegetables and only 100% real cheese. We attribute much of our success to our many hard working employees, to you the satisfied customer, and mostly to God who has blessed us greatly throughout these past two decades that we have been serving the Carrollton community and beyond. We sincerely thank you for coming and hope you enjoy your meal!
